### Highlights of Qualifications

- ❖ Six years of nursing experience in a variety of settings of which I have been involved in a multidisciplinary team. As a result, I am able to take an individual approach to a specific situation and adapt in order to meet each individual need.
- ❖ Nurse Case Management experience in which I have continued to work with a multidisciplinary team to coordinate a timely yet safe return to work for the injured party.

### Employment Experience

#### **2004-current NurseWorks Northwest, Woodinville, WA** Nurse Case Manager

- ❖ Proactively work with employers, medical providers and injured workers by coordinating and facilitating appropriate medical care while remaining focused on a safe yet timely return to work for the injured worker.
- ❖ Continually provide communication from health care providers-reports to claims managers in regard to the injured workers current medical condition, progress, and treatment plan.

#### **2000-2004 University of Washington Hospital, Seattle, WA** Registered Nurse/Charge Nurse

- ❖ Supervisor: oversaw the patient care and healthcare provider interaction of fellow RNs and CNAs on an 18 bed oncology unit.
- ❖ Staffing: assisted in scheduling of the nursing staff and determined nurse to patient ratios based upon acuity.
- ❖ Floor Nurse: responsible for medication administration, wound treatments, patient and family education for the complicated management of a chronic illness and patient advocate.
- ❖ Care Coordinator Team: worked with Physicians, Physical Therapists, Occupational Therapists, Social Workers, and Dieticians in order to develop the most appropriate treatment plan for each patient.

#### **2003 Crawford & Company, Bellevue, WA** Nurse Case Manager

- ❖ Medical evaluation and coordination of services (i.e.: therapy, independent medical examinations, home services, etc.) for injured workers, including medical care monitoring and disability analysis, recommendations and plan development.
- ❖ Monitor and medically manage long term care insurance policy holders.

#### **1995-2000 Edie's Etc, Bellevue, WA** Care Provider

- ❖ Cared for a 55-year-old male with advanced Lou Gehrig's disease in his home. Responsible for medication administration, ventilator management, respiratory care, G-Tube care, and communication of stated needs.

#### **1993-1995 GaPac Credit Union, Bellingham, WA** Customer Relations/New Accounts/Teller

# Debby Schwab, RN

(continued)
